

## Cord Cutting Routine

I call upon my Organic Eternal Divine Self to cut and sever all spiritual, emotional, mental, astral and psychic cords that are depleting my personal energy and any cords, energy ties or tethers that are out of balance with my highest good, Divine Perfection and Eternal Divine Sovereignty.

Upon severing all cords, immediately bring both ends of the cords into the heart of the Eternal Organic Living Eternal Sacred Source/ Heart of the Infinite Creator to be immediately healed, recalibrated to the highest good and Divine Sovereignty of all involved through the highest vibrations of Eternal Organic Living Love allowed by Cosmic Law.

This process usually takes at least 20 minutes and you may feel the etheric tugging & pulling.... this is not unusual. If it becomes uncomfortable ask your Organic Eternal Divine Self and Body Consciousness to soothe any discomfort and to continue with ease & grace.

*Choose Love ~♥~ Live Consciously*
